

Teri Weber, ACI, Partner, Spring Consulting Group, LLC

Teri is a Partner with Spring Consulting Group, LLC. She has over fifteen years of experience in health and welfare plan strategy, design, pricing, and implementation. In addition, she is a subject matter expert on absence management programs, including disability, family medical leave and leave of absence tracking. Her areas of expertise have allowed her to work with diverse employers and vendors to streamline processes and programs to meet the needs of insurers, administrators, employers and employees. Prior to joining Spring, Teri worked with Watson Wyatt, Buck Consultants and AON Consulting. She was also an Account Manager with Health Direct, Inc.

Education/Professional Designations

Teri earned a BS at the University of Connecticut and a MBA at the University of Massachusetts.
