

**Jack Myers, Founder & President, LukeJackson Benefit Solutions**

Jack is founder and president of LukeJackson Benefit Solutions, an independent benefits consulting and insurance brokerage firm headquartered in Brockton, Massachusetts. A primary focus of his firm's work is helping employers comply with evolving regulation while aligning competitive, affordable employee benefit solutions with business goals and objectives. Jack is a former Corporate Officer of BCBSMA responsible for leading National Major Accounts in the management of the organization's largest commercial accounts, National Sales, Inter-plan, and Health Informatics teams.

*Education/Professional Designations*

Jack is a graduate of the Boston Chamber of Commerce "Boston Future Leaders Program" and is actively engaged in industry and civic leadership as Treasurer, Board of Directors, NEEBC; and Treasurer, Board of Directors, Communities United, Inc., an early childhood education and Head Start program serving hundreds of children and families throughout greater Boston. He is a past corporate fundraiser for the Cystic Fibrosis Foundation of MA and RI, past Treasurer of the Raynham Youth Lacrosse League, and a founder of the Tribe lacrosse program. Jack received a B.S. in Resource Economics from the University of Massachusetts-Amherst.
