EXPERTISE

Ken is senior vice president and client executive for the People Solutions Consulting Practice in Lockton Northeast's Boston office. In this role, he provides strategic advice and consulting expertise to develop comprehensive, cost-effective employee benefit programs, including plan design, funding, and cost containment for group medical, dental, life and disability programs, as well as flexible benefits, business travel accident, and outsourcing services.

Ken has more than 30 years of experience in the benefits industry, working with employers on all facets of their health and welfare benefit programs. He also has expertise in absence management, self-insurance, pharmacy benefit management, behavioral health management and worksite benefits.

EDUCATION

BA in economics, government | Clark University, Worcester, Massachusetts

CIVIC AFFILIATIONS

Harvard Pilgrim Broker Advisory Council
New England Employee Benefits Council
