

**Anita Ward**  
**CDO, Salary Finance, Inc.**

Anita Ward is a Cultural Anthropologist whose career has been dedicated to culture, purpose, and the growth and transformation of organizations that include JPM Chase, American General, Occidental Petroleum, and the Cleveland Clinic Lou Ruvo Center for Brain Health. Prior to joining Salary Finance, Anita served as President of Operation HOPE, a global nonprofit organization focused on community uplift through financial coaches delivering financial literacy and empowerment to our most vulnerable populations.

Named in the Top 100 Fintech Influencers for Sustainable Development Goals, she has been recognized as a leader who is leveraging the power of fintech and blockchain technology to create a positive impact on the future. Anita holds a PhD and her work has been featured in Real Change Leaders, Leading Outside the Lines, Fast Company, and Forbes. She hosts a podcast entitled, Working on Wellbeing, that shares authentic conversations on wellbeing, purpose, and leadership.
