

Beth Grew

Bio

Beth Grew has been a Senior Benefits Specialist at HP Hood LLC for the past 7 years. HP Hood is a leading food and beverage manufacturer with over 175 years of experience. Hood's Benefits Team supports a national employee population of 3,500 union and non-union employees.

Beth began her benefits career at Hewitt Associates, later Aon Hewitt, followed by 18 years at NTT Data, Inc. Beth has been involved in all aspects of Benefits, including compliance, configuration, employee communications, and vendor management. She particularly enjoys personal interactions with employees and retirees.

Beth is proud of her involvement in Hood's Women's Leadership Committee and Safety Committee. She appreciates her NEEBC community and is a regular attendee of webinars and conferences.

Beth earned a bachelor's degree from the College of William and Mary in Williamsburg, VA.

Beth spends most of her free time in New Hampshire with her husband, daughter, and extended family. Working for Hood has been a dream job for this ice cream lover!
