Jackie Myers
Analyst
Spring Consulting Group

Jackie Myers is an Analyst with Spring Consulting Group. At Spring, Jackie provides project management and research support for client engagements related to employee benefits, health and welfare. Jackie has an actuarial background, allowing for unique and data-driven perspectives on client projects. Prior to joining Spring, Jackie was an Operations Analyst & Safety Officer at Hogan Security Group, responsible for data reporting, OSHA compliance, vendor management, and payroll. She graduated with a Bachelor of Science degree in Statistics and Data Science from the University of California Santa Barbara. After completing an actuarial internship with Spring in 2013, we are delighted to have her back on the team full-time.
