

Scott Behrens, J.D.

**Vice President, Director of Government Relations
Lockton Companies
Kansas City, Missouri**

As the director of government relations, Mr. Behrens frequently meets with policymakers and other stakeholders to encourage support of policies that help businesses protect and grow their operations and people. He brings critical experience in public policy and politics to the role, having worked for a former chairman of the Committee on the Budget for the U.S. House of Representatives. Mr. Behrens frequently works with other Lockton experts and clients to educate policymakers on the technical and practical implications of their policy decisions on insurance, benefits and retirement. In addition, Mr. Behrens has more than 12 years of legal experience practicing as an ERISA Attorney. Members of Congress and their staffs often rely on Scott for his extensive expertise in the Affordable Care Act, ERISA and other employee benefits laws. Prior to joining Lockton, Mr. Behrens worked as an employee benefits and executive compensation associate at an AmLaw 100 law firm and was able to hone his skills working with some of the top attorneys in the nation. He is also a current board member of the Hope Family Care Clinic and an ambassador for Helping Belize Kids. Mr. Behrens holds a J.D. degree with highest honors from Drake University.
