

Seth Moeller

President, KGA, Inc.

Seth Moeller joined KGA in January 2011, became CEO in 2013 and an owner in 2019. Seth works with client and prospective organizations to ensure alignment between KGA's services and the evolving needs of today's employers. He brings twenty years of experience in organization effectiveness and development from consulting, financial services, health care, and technology. Seth services on the Board of Directors for the National Behavioral Consortium, a national association of employee assistance and managed behavioral health organizations.

Seth holds a BA from the University of Vermont and an MA in Organizational Psychology from Columbia University.
