

Brent Atkins

Senior Vice President of Business Development

Progyny

As a Senior Vice President of Business Development at Progyny, Brent is responsible for leading sales for Progyny in the eastern half of the US. Brent and his team cultivate relationships with large employers and consultants across the country, transforming employer sponsored fertility and family building solutions for employees. Prior to joining Progyny, Brent's career was working for major insurance carriers where he spent over two decades for national carriers in various sales, strategy and management capacities.

Brent is a graduate of Providence College in Rhode Island.
