

# Shawna M. Oliver, DBA

AVP, Head of Global Benefits & Wellness  
Manulife

Shawna prides herself in challenging the status quo and has spent 23 years in the employer benefits industry doing just that. Over this time, she has worked with key stakeholders spanning the ecosystem – as an underwriter, a consultant, within health technology, in operations, and currently at a Fortune 250 company overseeing Global Benefits & Wellness. Her breadth of experience uniquely positions her to push for evolution with confidence.

Dr. Oliver holds a DBA from Drexel, an MBA from the University of Oregon, a BA from the University of Hartford, and a BS from Purdue.
